

PRESS RELEASE: Agent Summit 2017

FOR IMMEDIATE RELEASE

As you may know, Agent Entrepreneur and F&I and Showroom teamed up recently to host the Agent Summit 2017. This one of a kind event was an educational opportunity designed exclusively for general automotive agents to keep current with the latest training techniques, technology and programs with the ultimate goal of helping improve dealer's F&I profits and performance.

Investmark's ReinsuranceMax program, which provides asset management services specifically designed for the automotive retailer's reinsurance company, was represented at the Summit by Managing Principals Michael C. Kusick, CFP® and Nicholas T. Christie, CFP®.

The Agent Summit was an ideal opportunity for the ReinsuranceMax advisors to deepen their industry knowledge, network, and stay up to date on the latest trends and concerns facing dealerships and reinsurance companies.

Mike Kusick said "the Agent Summit was a great, information-packed event and we were very glad to attend. We learned a lot and it was great opportunity to talk with old and new friends in the reinsurance business. It also served as a great confirmation that owners understand the need for a program like ReinsuranceMax that has the potential to have a very meaningful impact on owner's bottom lines." Nick Christie added "the Summit was very informative and it was great to meet in person with such high caliber industry professionals."
